1.0 Background

- 1.1 In April 2016, CIPFA and SOLACE published 'Delivering Good Governance in Local Government: Framework 2016 and this applies to annual governance statements prepared for the 2016/2017 financial year. Guidance notes were also published to assist Council Leaders and Chief Executives in reviewing and testing their governance arrangements against the revised seven principles for good governance.
- 1.2 The key focus of the framework is on sustainability: economic, social and environmental and the need to focus on the longer term and the impact actions may have on future generations.
- 1.3 In response to the above, we therefore:
 - reviewed the existing governance arrangements against the revised principles set out in the Framework;
 - developed and implemented a refreshed local code of corporate governance, based on the new principles, including an assurance framework for ensuring ongoing effectiveness; and
 - will report publically, via the Annual Governance Statement on compliance with our code on an annual basis, how we have monitored the effectiveness of our governance arrangements in the year and on planned improvement areas.
