HOUSING COMMITTEE MEMBER / OFFICER REPORT

Cleaner Estates Update September 2023

Work has continued on the Chapel Street action plan, which includes:

- The majority of new handrails have been installed.
- The sunken paviors have been completed and gullies renewed.
- Most of the broken / loose paving slabs have now been replaced.
- Pointing works have almost completed.
- Missing downpipe has been replaced.

Consultation is due to take place with residents regarding new refuse stores, which will be installed later this financial year.

Temporary Tenant Engagement Officer (Dave Forde) has started working with the Tenancy Management Team and will be looking to start consultation at Welling Close to address some of the refuse issues. He will also be scheduling some 'love where you live' events.
