## 1. INTRODUCTION / BACKGROUND

1.1 Under the Gambling Act 2005 the Council, as the Licensing Authority, is responsible for issuing and enforcing licences, permits and notifications under the Act. These include:

- Licences for premises where gambling activities take place such as betting shops and gaming arcades.
- Permits and notifications for gaming machines in pubs and social clubs.
- Registrations for small society lotteries.

- 1.2 Stroud District has only a small number of licensed premises under the Gambling Act 2005. These are 5 Betting Shops and 2 Adult Gaming Centres. In addition, currently there are 2 Family Entertainment Centre Permits, 9 Club Gaming Machine Permits and 3 Licensed Premises Gaming Machine permits. There are 50 pubs with gaming machine registrations and 155 current small society lottery registrations. There are no licensed bingo clubs or casinos within the District. Currently the legislation does not allow for a new application to be made for a casino in Stroud District. There have been no hearings under the Gambling Act 2005 at Stroud District Council.
- 1.3 On the 16<sup>th</sup> September 2021, Community Services and Licensing Committee considered this report and agreed to recommend to Council that the Revised Statement of Principles (Appendix A) should be adopted. Information about this meeting and the report can be found [here](#).

## **2. MAIN POINTS**

- 2.1 Section 349 of the Gambling Act 2005 requires that the Licensing Authority shall, before each successive period of three years, prepare a Statement of Principles that they propose to apply in exercising their functions under the Act and they must publish that statement.
- 2.2 The Act also states that, in preparing the Statement, the Licensing Authority shall consult with the Police, persons representing persons carrying on gambling businesses and those affected by such businesses.
- 2.3 Section 154 of the Act provides that the function of revising the Statement may not be delegated to a Committee. This means that the decision to adopt a revised Statement must be made by full Council.
- 2.4 Stroud District Council's current Statement of Principles has effect until 30<sup>th</sup> January 2022. The current Statement has been reviewed by the Principal Licensing Officer.
- 2.5 There have been no major changes in the legislation or Gambling Commission Guidance since the last review 3 years ago. Additionally, there have not been any issues, relating to gambling in Stroud District, during this period. Therefore, the draft for consultation had no changes from the current Statement apart from updated contacts, dates and links.
- 2.6 The draft Statement of Principles for the period January 2022 to January 2025 has been out for formal consultation between 17<sup>th</sup> May 2021 and 31<sup>st</sup> July 2021.
- 2.7 Information about the consultation and the draft Statement was previously available on the Stroud District Council Website. A link to this webpage was circulated to a wide list of consultees including all Councillors. The full list of consultees is shown in Appendix B of the Statement (Appendix 1 of this report).
- 2.8 The comments received during the consultation period, and the responses and amendments that have been made to the Statement, and agreed by Community Services and Licensing Committee, are shown in a schedule which is Appendix 2.
- 2.9 The proposed final Statement for approval by Committee is Appendix 1. Changes made to reflect the consultation comments are shown in red in the Statement.

### **3. CONCLUSION**

- 3.1** In order that the Licensing Authority can continue to exercise its licensing functions under the Gambling Act 2005, after the current Statement of Principles expires on 30<sup>th</sup> January 2022, Council should adopt a final Statement as recommend by Community Services and Licensing at its meeting on 16<sup>th</sup> September 2021.
