**Community Services and Licensing Committee**  
**Community Health and Wellbeing**  
Schedule of Fees and Charges from 1 April 2023

**Proposed increase in fee/charge from previous year**

The class passes are being streamlined to represent that people attend a variety of classes across the healthy lifestyles scheme, so customers only need to buy one pass rather than two. The cost of equipment has gone up in line with the cost of living which is reflected in the costs for this year.

**Basis of charge (eg full cost recovery, statutory charge, subsidised service)**

We are a subsidised service however each year we are increasing the number of classes we offer and we aim to generate income to cover costs where possible.

**Details of any discretionary discounts or concessions**

The healthy lifestyles scheme is already discounted so no further discounts are applicable.

**Has any benchmarking or consultation been undertaken?**

We are one of only two councils in the county to offer these type of classes. We benchmark our prices against there's to ensure our prices are consistant.

**Equality Impact Assessment**

**Budget Impact**

Increases will have a direct corrulation to income however we are unsure how the cost of living will effect our income in the coming year.

A number of classes that ran in 22-23 will no longer run in 23-24

**Basis of charge (eg full cost recovery, statutory charge, subsidised service)**

Full cost recovery

**Details of any discretionary discounts or concessions**

None

**Has any benchmarking or consultation been undertaken?**

Yes, with other similar services operating within Gloucestershire

**Equality Impact Assessment**

Completed previously. The cost is similar to other LA's offering a similar service. Gloucester City Homes have withdrawn from offering the service and have passed their customers on to a national provider.

**Budget Impact**

If this is accepted the the income budget will need to remain the same as for 22/23. The service is currently making a small profit however this could be impacted if there are a large number of cancellations.

### Schedule of Fees and Charges from 1 April 2023

<b>Proposed increase in fee/charge from previous year</b>
---

No Change
-----------

<b>Basis of charge (eg full cost recovery, statutory charge, subsidised service)</b>
--

Statutory cap on fees relating to premises licences under the Gambling Act 2005. Stroud District Council fees were set in 2006 on an estimated cost recovery basis. Review of the fees indicates that they still adequately cover costs. There are only 6 current premises licences. The fees for permits, notifications and registrations under the Gambling Act 2005 are set nationally in the Gambling Act Regulations and have not increased since the Act came into force

<b>Has any benchmarking or consultation been undertaken?</b>

<b>Equality Impact Assessment</b>

<b>Budget Impact</b>
----------------------

The fees are remaining the same but as there are only 6 premises licences it will have minimal budget impact. The fees for permits cannot be increase as they are set in statute so income will not reflect increase in costs due to inflation and wage increases

**Licensing - Taxis and Private Hire**  
**Schedule of Fees and Charges from 1 April 2023**

**Proposed increase in fee/charge from previous year**

Between 5% and 8%

**Basis of charge (eg full cost recovery, statutory charge, subsidised service)**

Taxi licence fees have been frozen for the past two years to support the taxi trade with the difficulties they have faced during the covid-19 pandemic. A costing exercise has been undertaken using an audit approved costing matrix which identifies costs each licence application type. The fees for 2023-2024 have been increased to a level aimed to recover costs but not make any profit. Regulations prevent any profit being made from licensing fees.

**Details of any discretionary discounts or concessions**

None

**Has any benchmarking or consultation been undertaken?**

Yes the proposed Stroud District Council fees have been benchmarked against other Gloucestershire Licensing Authorities and adjusted slightly to bring them closer in line with the other authorities. However Stroud District Council fees are mainly based on Stroud District Council costs.

**Equality Impact Assessment**

None

**Budget Impact**

The increase in fees should help to recover costs. However the total number of taxi licences has dropped since the pandemic which reflects a national trend.

## Licensing - Pavement Licences

### Schedule of Fees and Charges from 1 April 2023

#### Proposed increase in fee/charge from previous year

This a temporary Licensing Regime introduced as part of the Governments Covid 19 recovery plans. There is a statutory cap of £100. The temporary regime will end September 2023. Government will be replacing it with a permanent Pavement Licensing regime which will have a higher fees cap and a renewal fee cap

#### Basis of charge (eg full cost recovery, statutory charge, subsidised service)

Statutory Cap

#### Details of any discretionary discounts or concessions

Premises that already had tables and chairs outside prior to this temporary regime have been permitted grandfather rights to enable them to continue without having to pay for the temporary licences. Once the permanent licensing regime is in place they will have to pay the new renewal fees

#### Has any benchmarking or consultation been undertaken?

In Gloucestershire Authorities all are set at the statutory Cap

#### Equality Impact Assessment

No

#### Budget Impact

The number of temporary pavement licences issued is 5. The fees is already set at the Statutory cap and cannot be increased, however, due to low numbers it will have minimal impact on the budget

## Museum in the Park

### Schedule of Fees and Charges from 1 April 2022

<b>Proposed increase in fee/charge from previous year</b>

<b>Basis of charge (eg full cost recovery, statutory charge, subsidised service)</b>
Charges are variable across the service, some set in consultation with other museums, some local, some in response to customer demand. Often they form the basis of discussion with customers (e.g. hire of gallery for exhibition). Corporate price increases are reflected in budget setting even if the fees and charges are not increased (i.e. 'sell' more to meet the target).

<b>Details of any discretionary discounts or concessions</b>
Art Fund Members get 10% off as part of National Art Pass Occassional offers for museum members. SDC staff and volunteers get 10% off in shop and café

<b>Has any benchmarking or consultation been undertaken?</b>
For some charges e.g. Archaeological deposits, price per head for pupils.

### Schedule of Fees and Charges from 1 April 2023

#### Proposed increase in fee/charge from previous year

A variable increase is proposed for fees this year in order to both counter rising operational costs and bring us in line with other leisure centres in the wider Gloucestershire area. Utility bills (for which we are a high use centre) are due to escalate now and going forward. Price sampling has also taken place to include 4 local leisure centres to provide a comparison and increases suggested to bring us much closer the average of these other centres.

#### Basis of charge (e.g. full cost recovery, statutory charge, subsidised service)

We are a subsidised service however each year we aim to be operationally self sufficient. Chargeable income is being increased to match expected expenditure.

#### Details of any discretionary discounts or concessions

The concessions for swimming and classes is based upon Stroud District Councils district wide concessions scheme.

#### Has any benchmarking or consultation been undertaken?

The prices were benchmarked against 4 other leisure centres including Stratford Park Leisure Centres current prices.

#### Equality Impact Assessment

Percentage increases have only been implemented where our evidence based approach has shown us to be charging below other sites in our locality. 50 % of our priced will remain unchanged from the 2022/23 year and 77% of our pricing structure will be below the 5% targeted increase. This approach has been taken during the 2023/24 years so as not to present barriers to participation or disadvantage any protected groups from participation during times of national financial uncertainty.

#### Budget Impact

Increases will have a direct correlation to income however at the time of writing it has been impossible to fully quantify the full impact from the cost of living crisis in terms of usage, utilities and staffing costs.

## Building Control

### Schedule of Fees and Charges from 1 April 2023

#### **Proposed increase in fee/charge from previous year**

A 5% increase for 23/24 has been calculated following agreement by the shared service board at their meeting on the 09.11.2022. For building control a bi-annual increase has previously been agreed but with inflation at 10% an increase has been agreed. The fee charging element of building control is a competitive service.

#### **Basis of charge (eg full cost recovery, statutory charge, subsidised service)**

Full cost recovery of the building control budget (4010) which is ring fenced and required to be cost neutral over a 3-5 year period.

#### **Details of any discretionary discounts or concessions**

A charge is not applicable to building work that benefits a person with disabilities; this could be alterations to increase door widths, a through floor lift or an extension to add a bathroom/bedroom at ground level.

#### **Has any benchmarking or consultation been undertaken?**

A review of neighbouring local authority charges has been undertaken which indicates that the charges will be middle to upper end assuming our neighbours also increase their charges.

#### **Equality Impact Assessment**

The charges were last increased in April 2022. Building Regulations apply to certain building work; the cost of the service is associated with the type of work being carried out. Where work is for the benefit of a disabled person a fee is not charged. This will continue and is set out in our scheme of charges.

#### **Budget Impact**

Building Control income is ring-fenced with the aim of achieving full cost recovery of the fee earning element. The proposal to increase charges from their current level whilst aiming to remain competitive. Some charges are negotiated with customers. Being a competitive service customers have a choice, to appoint the Council or a private approved inspector.
