

**Item 4.2 Land at Sharpness Docks, The Docks, Sharpness, Gloucestershire
(S.17/0798/Out) withdrawn from agenda.**

Please note that in consultation with the Chair of the Development Control Committee, item 4.2 (ref: S.17/0798/OUT) has been withdrawn from the April agenda.

Officers were due to receive an updated report on the viability of the scheme from the District Valuer but have been informed that this will not be received until after the date of the meeting. As such, it is not appropriate for the application to be considered without this supporting information.
